DETAILED ACTION

Drawings

1. The drawings are objected to under 37 CFR 1.83(a). The drawings must show every feature of the invention specified in the claims. Therefore, the limitation of "at least one level-2 comparator block" in claim 9, "at least one level-k comparator block, with $k \geq 2$ " in claim 14 must be shown or the feature(s) canceled from the claim(s). No new matter should be entered.

Corrected drawing sheets in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. Any amended replacement drawing sheet should include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is being amended. The figure or figure number of an amended drawing should not be labeled as "amended." If a drawing figure is to be canceled, the appropriate figure must be removed from the replacement sheet, and where necessary, the remaining figures must be renumbered and appropriate changes made to the brief description of the several views of the drawings for consistency. Additional replacement sheets may be necessary to show the renumbering of the remaining figures. Each drawing sheet submitted after the filing date of an application must be labeled in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d). If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

Claim Objections

2. Claims 2-6, 8, 10, 11 and 13 are objected to because of the following informalities:

Claim 2, line 2, it is suggested to change "exclusive-OR" to --exclusive-OR--;

Art Unit: 2816

Claim 3, line 2, it is suggested to change “ “ OR”” to --OR--

Claim 4, line 2, it is suggested to change “ “ selective passage”” to --selective passage--;

Claim 5, line 3, it suggested to change “ “OR”” to --OR--;

Claim 6, line 11, it is suggested to change “ “ selective passage”” to --selective passage--;

Claim 6, line 12, it is suggested to delete “(pass gate)”; “ “ OR”” to --OR--;

Similar changes are also suggested for claims 8, 10, 11 and 13.

Appropriate correction is required.

Allowable Subject Matter

3. Claims 2-6, 8, 10, 11 and 13 would be allowable if amended to overcome the objection set forth in this Office action.
4. Claims 1, 7, 9, 12 and 14-18 are presently allowed.

Conclusion

5. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. In this regard, applicant's cited prior art has been carefully considered.
